

# PEARL HARBOR MEMORIAL BRIDGE CASE HISTORY

## TESTIMONIAL

“Boscaro products have proven time and again their quality, safety, and durability. Boscaro products continue to offer significant value on the project.”

*Ed Hawthorne – Safety Manger  
Walsh/PCL – JV II*

## PEARL HARBOR MEMORIAL BRIDGE

Walsh and PCL have teamed up to complete some of the largest joint venture projects in North America. One such project is the Walsh/PCL JV II, \$500 million Pearl Harbor Memorial Bridge in New Haven Connecticut. At its peak, this project will employ up to 300 people.

When it came to the equipment needed to ensure safety on site, Ed Hawthorne Safety Manager for the project turned to the Boscaro product line. The site now utilizes two Boscaro Emergency Rescue Platforms, various size self dumping bins, barrel grabs, and other selections from the wide Boscaro product offerings. When asked why Boscaro, Ed had the following to say:

“Boscaro products have proven time and again their quality, safety, and durability. Boscaro products continue to offer significant value on the project.”
